## **1 Introduction**

Please follow the style for the paper. You have to provide a PDF file created using the LaTeX sample file or using the Word sample file (you can transform your Word document into a PDF file using for instance PDF Creator).

## **2 Guidelines**

### ***2.1 Number of pages***

The paper cannot be longer than 10 pages

### ***2.2 Figures and Tables***

Figures should be centered with a legend and could be in color (conference proceedings should be stored in a USB key). Tables should be also centered with a legend.

### ***2.3 References***

All references in the bibliography should be cited. Citations follow this style: « In Nakagawa [2], ... » (for books) or « In Section 2 of [1], ... » (for articles).
